SUICIDE FORGIVEN SUIT FOR DIVORCE.

Charles Steinfeld of Clayton Shoots Himself After Papers Are Served on Him.

HIS FRIENDS PREDICTED IT.

Locked Himself in His Room, Wrote Two Letters and Then Put Two Bullets into His Brain.

Charles Steinfeld committed suicide by shooting himself in the head last night in his room at the home of his stepfather, Mr. M. Adde Steinfeld, at Clayton.

Clayton in a suit for divorce on the grounds of abuse and non-support, which had been filed by his wife, Mary Steinfeld, in the Circuit Court at the county seat last Saturday, were served on him yesterday afternoon. He was wildly affected, so much so, in fact, that several of his friends predicted that he would take his own life.

Early in the evening two of them noticed him walking up and down the street near the courthouse, apparently deep in the contemplation of his troubles. One remarked to the other, "That man is going to commit suicide."

Despite the prevalent feeling that Steinfeld was in a desperate frame of mind, the news that he had shot by his own hand came as a shock to those who heard it. The suicide left two letters, one to his wife and stepdaughter, and the other to the master workman of the local A. O. U. W. lodge, Charles M. Adde, who was a member of the lodge.

Sheriff Cook took charge of these awaiting the arrival of Coroner Armstrong, who lives at Webster Groves. Three members of the A. O. U. W. lodge accompanied the men to the Steinfeld home through the night.

It was after 10 o'clock when Mrs. Steinfeld and her daughter were started by the sound of two pistol shots which emanated from Mr. Steinfeld's room on the second floor. Summoning a neighbor, Charles Adde, they asked him to notify Sheriff Cook. This Mr. Adde did, and they proceeded to Mr. Steinfeld's room. The door was locked. Knocking and receiving no answer, they crawled over the roof to a point from which they could obtain a view of the interior of the room.

In the light of a lantern which Mr. Steinfeld stretched out on the bed with a revolver in one hand. Returning to the house from the door, which was closed, the men in the man's head told the story. Apparently death had been instantaneous. One bullet entered the forehead and the other in the right temple.

Mr. Steinfeld was 42 years old and had been married to his wife for about twenty years. He was a Republican and evinced considerable interest in the political affairs of the county. He was a member of the A. O. U. W. lodge and had been a member of the lodge for many years. He was a man of considerable means and was well known in the community. He was a member of the A. O. U. MADE DOCTORS TO ORDER. Government Officers Raided an Alleged "Diploma Mill."

Chicago, June 4.—Government officers today raided the Metropolitan Medical College, an alleged "diploma mill," at No. 861 West Van Buren street, and arrested the officers, President James Armstrong, Vice President J. H. Randall, secretary Thomas Armstrong and former Secretary Charles M. Hoyle.

The men are charged with having used the mails to defraud, and it is said their receipts amount to many thousands of dollars. They were taken to the United States Commissioner Humphrey, and the hearing of the charges against them was set for Friday at 10 o'clock in the morning. The institution with which the defendants are connected is also known as the Institute of Medical Jurisprudence and the Law School, and the evidence shows that its faculty has been selling degrees for the sum of \$200 each. The compensation being determined by the amount the would-be professional men were willing to pay.

He says frequent complaints of malpractice have been made against the holders of the diplomas.

Regular medical colleges and law institutions in all parts of the United States have been notified of the raid on the "diploma mill" for several years.

The complaint which the warrants were issued against was sworn to by Joseph DeBarre of Baker City, Ore., who was formerly connected with the institution as a student. He says he was paid \$250 for a degree issued by the Independent Medical College, August 31, 1898, and thought his student status would be of great value and that he was refused certificates in several States.

Dr. Cave Displayed Splendid Speed. Keith & Patton's Good Colt Won From Bummer, Fireside and Loving Cup.

ALGOL WAS BADLY CUT DOWN. Parole d'Or Ran a Fast Mile and an Eighth—Russell R. Scored Another Victory—Queen Esther, a Long Shot, Ran Third.

A card of more than usual attractiveness was enjoyed by the 2,000 or more persons who were fortunate enough to attend yesterday's races at the Fair Grounds. The weather was perfect for the sport and the track must have been in the best possible condition, judging from the fast time recorded in several of the races.

The race which attracted most attention from those who attend the races for the sport of watching the thoroughbreds compete, as well as those who are interested because it is a case of speculation, proved to be the fifth, a free handicap, at six furlongs. A half dozen prize winners faced the flag, with Loving Cup and Fireside carrying the talented money, while quite a number of the wise ones quietly tucked their chins under their hats and looked on. The Texas contingent had Bummer in, but he was completely overlooked in the race. Starter Bruen had little trouble with the field at the post and caught them in good alignment when he whistled the flag. Bummer's nose was in front when the time flag dropped, but before many jumps Jockey Wainwright had Bummer cut out, leaving the way down the neck stretch, with Lovin' Cup and Fireside carrying the prize money, and Queen Esther, a long shot, ran third.

The last race of the day presented a veritable cornucopia of good things. The Texas contingent had Bummer in, but he was completely overlooked in the race. Starter Bruen had little trouble with the field at the post and caught them in good alignment when he whistled the flag. Bummer's nose was in front when the time flag dropped, but before many jumps Jockey Wainwright had Bummer cut out, leaving the way down the neck stretch, with Lovin' Cup and Fireside carrying the prize money, and Queen Esther, a long shot, ran third.

Dr. Cave was prime yesterday and carried every thing in a hand, and the stretch turn was reached when the twenty-eight pounds of weight on Charlie Elinor, which she carried in her back, was a decided disadvantage. In the run to the winning post Elinor gave her jockey, who was riding her, a half in front of Bummer, with the other three following. The local man, finished fourth. All the contestants in this race ran remarkably well, and the race was a very close one. The Texas contingent had Bummer in, but he was completely overlooked in the race. Starter Bruen had little trouble with the field at the post and caught them in good alignment when he whistled the flag. Bummer's nose was in front when the time flag dropped, but before many jumps Jockey Wainwright had Bummer cut out, leaving the way down the neck stretch, with Lovin' Cup and Fireside carrying the prize money, and Queen Esther, a long shot, ran third.

THE MECCA. A 2-year-old black filly by Millerham, owned by the St. Louis Fair Association, performed an act hardly ever seen in a 2-year-old scramble, in the third race, a five-furlong dash. The Mecca was a decided favorite favorite in the last race, and when the starter sent the field around the track, she was in the lead. Not a half furlong had been traveled when the field seemed to close, and White on the heels of the Mecca, who was in the lead, pocketed the prize money.
